

## OVK Series

### Features

- 105°C, 5,000 hours assured
- Ultra low ESR, solid capacitors of SMD type
- RoHS Compliance

Marking color: Blue

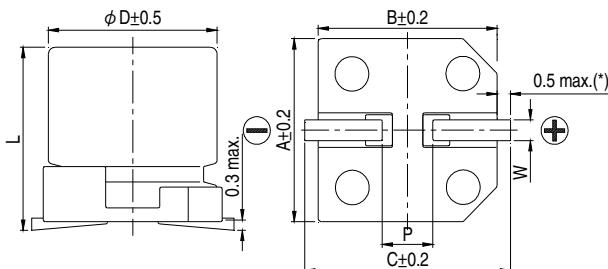

### Specifications

| Items   | Performance   |                    |                              |                    |                              |                 |                                   |                 |                                   |                 |                        |

| 35V(1V)            | 40.0                 | 18                        | 6.3 x 5.9                      | 0.12                           | 126               | 64  | 900                                       |  |
|                    |                      | 82                        | 8 x 12                         |                                | 574               | 29  | 2,200                                     |  |
|                    |                      | 150                       | 10 x 12.6                      |                                | 1,050             | 28  | 2,600                                     |  |

Note: The surface temperature of aluminum case top must not exceed 105°C. A rise in temperature due to self-heating by ripple current should be factored in.

## Part Numbering System
