

Nebulizer

Inhaler

Applications

· Blood glucose meter

· Blood pressure meter

· Portable medical device

Sleep apnea devices

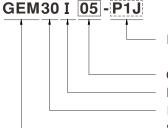

### Features

- Interchangeable AC plugs (plug kit sold sperately)
- · Medical safety approved (2 x MOPP) accroding to ANSI/AAMI ES60601-1/ES60601-1-11,BS EN/EN60601-1/ BS EN/EN60601-1-11
- · Extremely Low leakage current
- No load power consumption< 0.1W</li>
- $^{ullet}$  Energy efficiency Level VI
- -25~+70°C wide range working temperature
- · Class II power (no earth pin)
- · Protections: Short circuit / Overload / Over voltage
- Fully enclosed plastic case
- · Various DC plug quick adapter accessory available (Plug kit sold sperately, please refer to : https://www.meanwell.com/upload/pdf/DC\_plug.pdf)
- 3 years warranty

Description GEM30I is a highly reliable, 30W wall-mounted style single-output green medical adaptor series, which is compact and convenient for carry. This product is equipped with an interchangeable AC plug (4 types, including European type, USA type, U.K. type and Australian type) that makes it very suitable for businessmen to use in the major countries around the globe. GEM30I is a class  $\, {
m II}\,$  power unit (no FG), accepting the input range from 80VAC to 264VAC that it can satisfy the demands for various types of medical electrical devices. The circuitry design meets the international medical standards (2\*MOPP), having an ultra low leakage current (<100µA), fitting the medical devices in direct electrical contact with the patients.

With the working efficiency up to 90% and the extremely low no-load power consumption below 0.1W, GEM30I is compliant with the latest USA energy regulation EISA 2007/DoE(Level VI) and EU ErP. The supreme feature allows the adaptor to save the energy when it is under either the operating mode or the standby mode. The entire series is approved for international safety regulations; moreover, it adopts the 94V-0 flame retardant plastic case that it can effectively prevent users from electric hazard.

Please check the derating curve for more details.  idered as an independent unit, but the final equipment still need to re-confirm that the whole system complies with the ance on how to perform these EMC tests, please refer to "EMI testing of component power supplies."  w.meanwell.com)  er: For detailed information, please refer to https://www.meanwell.com/serviceDisclaimer.aspx										

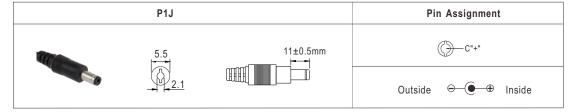

## 30W AC-DC Reliable Green Interchangeable Medical Adaptor **GEM30I** series

### ■ DC output plug

O Standard plug: P1J

Unit:mm

- O DC plug changeable through:
  - (1) Customization of the standard part with an optional DC plug according to the table (MOQ applicable)
  - (2) Quick adapter accessory (sold separately without MOQ)

Please refer to below table and online selection guide : <a href="https://www.meanwell.com/upload/pdf/DC\_plug.pdf">https://www.meanwell.com/upload/pdf/DC\_plug.pdf</a>

Example quick adapter accessory:

Optional DC plug: (Available in customized cable or quick adapter)
