

Click Boards Stand - 35 sockets

PID: MIKROE-5726

Click boards Stand, measuring 220x266mm, is a meticulously crafted PCB board designed to house up to 35 Click boards™. Its high-quality PCB material ensures both durability and an attractive appearance in a sleek white design. An array of 35 mikroBUS™ sockets (5 rows per 7 sockets) offers effortless compatibility for various Click board™ functionalities, ideal for electronics enthusiasts and professionals. Discover the Click boards Stand – a versatile and user-friendly solution for storing and exploring the world of Click boards™.

Mikroe produces entire development toolchains for all major microcontroller architectures.

Committed to excellency, we are dedicated to helping engineers bring the project development up to speed and achieve outstanding results.

ISO 27001: 2013 certification of informational security management system.
 ISO 14001: 2015 certification of environmental management system.
 OHSAS 18001: 2008 certification of occupational health and safety management system.

ISO 9001: 2015 certification of quality management system (QMS).
