

EasyAVR PRO v8

PID: MIKROE-5342

EasyAVR PRO v8 is packed in the protective box along with the relevant documentation. This box is very resistant to all kinds of damage and shock.

The package contains:

- Damage resistant protective box
- EasyAVR PRO v8 board
- SiBRAIN and Display board flyers
- Adapter - USB Micro Female to USB Type-C Male
- Adapter - USB-C Female to USB-A Male

- USB-C cable
- SiBRAIN Card
- Board Schematic
- User Manual
- CODEGRIP Suite Quick Start Guide

Mikroe produces entire development toolchains for all major microcontroller architectures.

Committed to excellency, we are dedicated to helping engineers bring the project development up to speed and achieve outstanding results.

ISO 27001: 2013 certification of informational security management system.
 ISO 14001: 2015 certification of environmental management system.
 OHSAS 18001: 2008 certification of occupational health and safety management system.

ISO 9001: 2015 certification of quality management system (QMS).

Specifications

Type	8th Generation
Architecture	AVR (8-bit)
Programming	USB,WiFi
Silicon Vendor	Microchip
MCU Socket	MCU card 8th gen
Supply Voltage	Battery, USB,External
Category	8th Generation

Mikroe produces entire development toolchains for all major microcontroller architectures.

Committed to excellency, we are dedicated to helping engineers bring the project development up to speed and achieve outstanding results.

ISO 27001: 2013 certification of informational security management system.
 ISO 14001: 2015 certification of environmental management system.
