Program and configuration memory, plug-in, 2 GB with license key for IEC 61850 communication and for function block libraries, e.g., SNMP, SQL, wireless, motion functions, etc.

## Product Description

Program and configuration memory for storing the application programs and other files in the file system of the PLC, with license key for using IEC 61850 communication.

A license key for activating further function block libraries is also included.

Individual function blocks from Phoenix Contact, such as those from the SQL and SNMP library or Resy+, are licensed.

This means that a fee is charged for each controller on which licensed function blocks are used.

The blocks check the license stored on the controller during runtime and enable themselves or run for a limited time in demo mode.

Examples of licensed function blocks:• Basic control functions for PID controllers with delay time constant in the D component• Data transfer between the controller and SQL database with event-driven access to tables by means of SQL communication and Data Manipulation Language (DML)• IT library for sending e-mails with the SMTP function, with DHCP client, DNS, and an FTP client function• Secure, event-oriented, and inexpensive monitoring of all distributed plants via Ethernet as well as via serial interfaces

Please observe the specified performance data of your controller(s) and check that it/they are suitable for your application.

For users who do not wish to use the webMI functionality, the program and configuration memory is also available without a license as an option.

## Why buy this product

- Program and configuration memory, plug-in, for IEC 61850 communication with license key for function block libraries.
- For storing application programs and other files in the file system of the PLC
- License key for IEC 61850 communication with function block libraries

## Key Commercial Data

Packing unit	1 pc
GTIN	 4 055626 047508
GTIN	4055626047508

## Technical data

### Ambient conditions

Ambient temperature (operation)	-40 °C ... 85 °C
---------------------------------	------------------

### Environmental Product Compliance

# Program / configuration memory - SD FLASH 2GB APPLIC A 61850 - 2400436

## Technical data

### Environmental Product Compliance

China RoHS	Environmentally Friendly Use Period = 50
	For details about hazardous substances go to tab "Downloads", Category "Manufacturer's declaration"
