

## Software - PC WORX PRO LIC CPY - 2988560

Please be informed that the data shown in this PDF Document is generated from our Online Catalog. Please find the complete data in the user's documentation. Our General Terms of Use for Downloads are valid (<http://phoenixcontact.com/download>)

The PC WORX PRO copy license enables the installation and parallel use of the PC WORX PRO software on multiple workstations. It is a workstation license. A workstation full license is also required.

PC WORX  
PLC Programming

### Key Commercial Data

|              |   |
|--------------|---|
| Packing unit | 1 pc  |
| GTIN         | <br>4 046356 305365 |
| GTIN         | 4046356305365   |

### Technical data

#### License information

|                               |                                      |
|-------------------------------|--------------------------------------|
| Intended use for the software | Engineering software for controllers |
|-------------------------------|--------------------------------------|

#### Functions

|                        |   |
|------------------------|---|
| Basic functions        | Planning an automation system, parameterizing the INTERBUS and PROFINET devices, operating INTERBUS and PROFINET, programming an automation system in acc. with IEC 61131-3, communication in acc. with IEC 61131-5 |
|                        | Network configuration (functionality of Config+)  |
|                        | Network diagnostics (functionality of Diag+)  |
| Expanded functionality | Unlimited number of input/output data   |
|                        | Machine Sequential Function Chart (MSFC)  |
|                        | Fixed Format Ladder Editor (FFLD)   |
| Integrated function    | Analysis  |
|                        | Evaluation  |
|                        | Data acquisition  |
|                        | Programming   |
|                        | Configuration   |
|                        | Diagnostics   |
|                        | Maintenance   |

# Software - PC WORX PRO LIC CPY - 2988560

## Technical data

### Functions

|                                 |   |
|---------------------------------|---|
|                                 | Communication                                     |
|                                 | Functional safety                                 |
| Programming languages supported | Programming in acc. with IEC 61131-3              |
|                                 | Instruction list (IL)                             |
|                                 | Function block diagram (FBD)                      |
|                                 | Ladder diagram (LD)                               |
|                                 | Structured text (ST)                              |
|                                 | Symbolic flowchart (SFC)                          |
| Associated hardware             | Phoenix Contact control                           |
| Number of I/O nodes             | 128 I/O kbytes                                    |
| Configuration                   | INTERBUS  |
|                                 | PROFINET  |
|                                 | Modbus/TCP  |
| Diagnostics                     | INTERBUS  |
|                                 | PROFINET  |
| Control system                  | (Target system) Embedded and PC-based controllers |

### Hardware requirements

|                     |   |
|---------------------|---|
| Hard disk           | min. 2 GByte  |
| RAM                 | min. 2 GByte  |
| CPU                 | min. 2 GHz, x86 architecture  |
| Interfaces          | Serial COM port, Ethernet (PCI if there is an INTERBUS master card in the PC) |
| Monitor resolution  | SXGA (1280 x 1024)  |
| Operating equipment | Keyboard, mouse   |

### Software requirements

|                     |  |
|---------------------|--|
| Operating system    | Windows® 7 Professional SP1 (32-Bit/64-Bit)        |
|                     | Windows® 7 Ultimate SP1 (32-Bit/64-Bit)            |
|                     | Windows® 8.1 Professional (32-Bit/64-Bit)          |
|                     | Windows® 8.1 Enterprise (32-Bit/64-Bit)            |
|                     | Windows® 10 (32-bit/64-bit), as of Build 1511      |
| Languages supported | German, English, French, Italian, Spanish, Chinese |
| Supported browsers  | Internet Explorer Version 8 or later               |

## Classifications
