

ATX Power Supply 2000W | 80 Plus Gold | Bitcoin Miner

Product code: 50144

The ATX 2000W power supply has been specially optimized for the construction of mining rigs. The power rating of the power supply is 2000W. The 80Plus Gold certificate means that more than 80% of the energy of the power supply is transferred to the computer's components. The device has been equipped with a 140mm quiet fan and high-quality components, over which a number of protections are supervised.

Technical data

Usable power	2000 W
Standard	ATX
Cooling system	2x fan 140 mm (dual ball bearing)
Colour	Black
PFC	Active PFC
Safety	OCP - Overcurrent Protection OVP - Over Voltage Protection SCP - Short Circuit Protection OPP - Over Power Protection UVP - Under Voltage Protection
