

Qoltec AFIADO shredder with an automatic paper feeder | Micro cut | 23L

Product code: 50326

Qoltec shredder is a product made of high-quality materials that guarantee safe document destruction. You will use it both at work and at home. It is characterized by high efficiency and low energy consumption.

Trustworthy device

Do you run a business, generate a lot of documents in the office, or perhaps you work remotely from home? Each of us comes into contact with various documents on a daily basis. Often we are not aware of their importance, and each piece of paper is a carrier of information. It is important for us to be aware that data, even if it is unimportant from our point of view, can be used against us. Products available on the market in a simple and safe way will help us to select any document so that it does not fall into the wrong hands.

The **AFIADO** shredder from Qoltec is the ideal shredder for the home or office.

Bet on safety

Our solution is perfect for any place where many documents are shredded. The device offers:

- high level of security - shredding class P-4,
- **automatic paper feeder** - you can put up to 120 sheets of A4 paper into the device, the device itself takes them,
- **manual paper feeder** - destroys 10 sheets of A4 paper at a time,
- multi-tasking - you can also destroy payment cards,
- full convenience - thanks to the large removable bin (23L).

Confidence confirmed by a warranty

You value the quality of purchased equipment so our projects and solutions are focused on meeting your expectations. Qoltec Shredders are covered by 24 months warranty.

Technical data

Producer	Qoltec
Security level	P-4
Shredding capacity	10
