

## Premium headphones wireless BT with microphone | mp3 | Black

Product code: 50815

Qoltec multimedia headphones are a great solution for people who value the combination of functionality, convenience and the highest quality of sound with strong bass, without interference or noise. They are equipped with a slot for a memory card and a built-in FM radio, so you can listen to music even when you are unloading your phone. Headphones can be folded, which makes it easy to store and transport.

Full control will give you a control panel located on the handset.
