## Product data sheet Characteristics

XB5AVM6 blue complete pilot light Ã~22 plain lens with integral LED 230...240V

Product availability: Non-Stock - Not normally stocked in distribution facility

| Main                                 |                       |
|--------------------------------------|-----------------------|
| Range of product                     | Harmony XB5           |
| Product or component type            | Complete pilot light  |
| Device short name                    | XB5                   |
| Bezel material                       | Dark grey plastic     |
| Fixing collar material               | Plastic               |
| Head type                            | Standard              |
| Mounting diameter                    | 0.87 in (22 mm)       |
| Sale per indivisible<br>quantity     | 1                     |
| Shape of signaling unit head         | Round                 |
| Cap/operator or lens colour          | Blue                  |
| Operator additional in-<br>formation | With plain lens       |
| Light source                         | Protected LED         |
| Bulb base                            | Integral LED          |
| Light source colour                  | Blue                  |
| [Us] rated supply volt-<br>age       | 230240 V AC, 50/60 Hz |
| Device presentation                  | Complete product      |
