ES2000

Raychem

Flame-retardant, adhesive-lined heat-shrinkable tubing (extended temperature range)

Adhesive-lined ES2000 heatshrinkable tubing is specifically designed to meet automotive industry requirements for environmental sealing and electrical insulation of automotive wire splices, terminations, and components.

ES2000 tubing has an outer jacket of radiation-crosslinked, semirigid polyolefin. Flame-retardant and mechanically tough, the jacket provides strain relief and abrasion protection of wire splices and mechanically sensitive components. The inner layer of the tubing is a unique hot-melt adhesive, specially formulated to adhere to all major types of automotive wire insulation and to perform well at an extended temperature range. The adhesive forms an effective barrier against automotive fluids and moisture, helping to protect the harness from the effects of corrosion and water wicking.

Because ES2000 tubing has a high shrink ratio, only a few sizes are needed to cover a wide range of splice and component diameters. ES2000 tubing dimensions have been engineered to provide low-cost sealing solutions on multiple-wire splices (up to seven wires per side), using standard Tyco Electronics application equipment.

Temperature rating

Full recovery temperature:	135°C
Continuous operating temperature:	-40°C to 130°C

Specifications*

ES2000-No.4	17.78 <i>0.700</i>	4.45 <i>0.175</i>	2.41 0.095	1.04 0.041	1.37 0.054

^{**}Wall thickness will be less if tubing recovery is restricted during shrinkage.

Ordering information

Color	Black
Size selection	Consult manufacturer's recommended size selection guidelines.
Standard packaging	Cut pieces. See reverse for information on standard cut lengths.
Marking	Tubing will be marked with the number size (for example, ES-1, ES-2, ES-3, or ES-4).
Ordering description	Specify product name, size, color, and cut length; for example, ES2000-No.2-0-50MM (0=Black).

Specification values

	Property	Unit	Requirement	Method of test
Material	Dimensions	mm (inches)	See reverse	ASTM D 2671
