## GLOBAL PART NUMBER INFORMATION

New Global Part Numbering: M55342M02B10E0RWB (preferred part number format)

## Notes

- For additional information on packaging, refer to the Surface Mount Resistor Packaging document (www.vishay.com/doc?31543)
(1) Products with space level failure rates are only offered in packaging codes with ESD overpack and labeling. For all other failure rates, the ESD pack codes are an optional type of packaging
(2) Failure rates $U$ and $V$ require group $A$ and $B$ inspection ran on each production lot
(3) Add a "D" after the packaging code at the end of the global part number to specify Vishay Dale Thick Film product with a tolerance of $0.5 \%$
(4) MIL spec option 1, 2, and 3 part marking is not offered for the slash sheet $01,02,11$, and 13 sizes
