## Mechanical data

|                  |                                     |
|------------------|-------------------------------------|
| Mounting type    | Sliding                             |
| Smear resistance | in combination with ribbon 258-5005 |

## Material data

|               |                               |
|---------------|-------------------------------|
| Color         | white                         |
| Material      | Polyester                     |
| UV resistance | EN 60068-2-5:2010 Procedure B |
| Halogen-free  | Yes                           |
| Weight        | 165 g                         |

## Environmental requirements

|   |                |
|---|----------------|
| Surrounding air temperature (operation) | -40 ... 150 °C |
| Relative humidity                       | 40 ... 50 %    |

## Installation Notes

### Application

Conductor marker for thread-on mounting

Subject to changes. Please also observe the further product documentation!
